

PURCHASE POWER

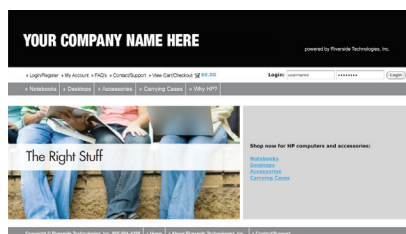

EASY ONLINE PURCHASE SOLUTIONS FOR YOUR EMPLOYEES OR STUDENTS

Now you can offer your employees or students the same quality computer products they use at your organization. As an HP Elite Partner, we are one of the leading HP Public Sector Partners and resellers, and the fastest growing HP Partner. We'll work with you and HP to offer a selection of computer hardware solutions at pre-negotiated prices. RTI will take care of creating a custom website and managing all the sales—you only have to let your employees or students know they have options when it comes to their personal computer choices.

When you partner with RTI to offer a student or employee purchase program, you'll enjoy:

- **An online purchasing website** that's branded with your organization's logo and colors for a consistent, cohesive user experience
- **A worry-free solution** since we'll develop and maintain the website, as well as process all the sales through our secure shopping cart system
- **A wide array of notebooks**, desktop systems and accessories—all at pre-negotiated pricing
- **An assortment of durable and stylish G'Rilla® carrying cases** to help purchasers protect their investment

The Right Stuff

Your students or employees have a lot of options when it comes to choosing a computer. It's all about finding the right combination of price, reliability, options, upgrades and support.

HP has a long history of leading the way when it comes to personal computers and accessories. Each year they invest billions of dollars in new thinking to create solutions that are reliable, durable and easy to use. And with your organization's pre-negotiated pricing, your students or employees are sure to get the right HP system at the right price.
